Some specific labels and symbols are visible through the redaction, such as 'Order' at the top center, 'Pursuant to', 'T', 'V', 'DRAFT', 'RECEIVED', 'FBI - BOSTON', 'SEARCHED', 'INDEXED', 'SERIALIZED', 'FILED', '2018 MAR 13 PM 10:00 AM', 'FBI BOSTON', 'Case No. 18-cv-00001', 'Page 1 of 1', and 'FBI - BOSTON' at the bottom right. There are also smaller redaction marks on the left side and near the bottom.

The image consists of a high-contrast, black-and-white graphic. It features several large, dark, irregular shapes that appear to be heavily redacted or processed. These shapes are set against a stark white background. At the top left, there is some very faint, illegible text that appears to begin with "P.D.F.". At the top right, there is more faint text that includes "14" and "REDACTED". The overall effect is one of a heavily processed or censored document.

A standard linear barcode is positioned vertically on the right side of the page. It consists of vertical black bars of varying widths on a white background.

The image consists of a grid-like pattern of black and white squares. Large, solid black rectangles are placed over specific sections of the grid, obscuring the underlying white text. These black shapes are irregular in form, suggesting they were hand-drawn or created with a high-contrast tool. Some smaller, isolated characters are visible through the redaction: a single 'S' is located in the upper-middle area, and 'E' and 'HO' are positioned directly below it. At the bottom center, there is a small, isolated character '9'. The overall effect is one of a heavily redacted document where most of the original text has been completely removed.
